

INTERN & EARN NEWSLETTER

FALL COHORT 2023

SCAN THE QR CODES BELOW TO LEARN ABOUT...

ABOUT US

Our interns have dedicated their time to further their skills in the workforce. As they explore options and different areas of work, they are each finding their passion through the Intern & Earn Program. We welcome more interns to come join our team! Feel free to reach out to an Employment Counselor if you are interested in exploring job opportunities. Your success is our goal!

RESOURCE SPOTLIGHT

JOB TRAIN

JobTrain's Young Adult Services provides an array of programs, at **NO COST** to young adults, that help them gain the job skills, academic skills and the support they need to be successful. (Ages 18-24)
